

## The poisoning of the whole laboratory

It was early morning when detective Mr. Yang got a call from an anonymous person, who told him that, the whole laboratory <sup>had been</sup> ~~was~~ poisoned. He was in shock but happy at the same time. Who wouldn't be happy when you just got a very interesting case. So Mr. Yang ~~putted~~ on his clothes, and started ~~walking~~ <sup>walked</sup> to the laboratory. When he came there, he ~~putted~~ his mask on and started to find some key proofs. He saw his very good friend Dr. Lu ~~laying~~ <sup>lying</sup> down on the floor. He was really furious on that person who hurt his friends. Why did I ~~said~~ friends? When he came into another part of the laboratory, he saw his first girl-friend ever. Her name ~~is~~ <sup>was</sup> Dr. Juli. But he just saw some thing ~~for~~ <sup>for</sup> investigation. It was a fingerprint on a powder. He immediately took the proof into his house and started ~~to~~ investigating it. His eyes were wide open ~~when~~ <sup>ed</sup> when he saw who ~~is~~ <sup>was</sup> fingerprint ~~is~~ <sup>was</sup> this. It's the main laboratory enemy Mr. Dimo. He wanted to buy the building but the owner of it, Dr. Lu declined it. So Mr. Dimo ~~started~~ <sup>started</sup> to be angry and he decided to take the building ~~with~~ his own way. He called the main police officer to tell him that he ~~was~~ <sup>is</sup> ~~the~~ <sup>was</sup> the suspect. The officer immediately took him in ~~to~~ <sup>to</sup> the cell for another interrogating <sup>on</sup>. But after 4 days ~~him~~ being in the cell, Mr. Dimo told that it was him. Then Dr. Lu and Dr. Juli ~~came~~ <sup>went to see</sup> ~~off~~ him and told him to have a good time in jail for 35 years, and they smiled. The case was closed and

everyone, except Mr. Dimo were happy. They cleaned the laboratory after the Mr. Dimo thing. They bought ~~x~~ many new chemicals for the laboratory. Also ~~x~~ few lab dishes for experiments. They made a gift for Mr. Yang for saving their lives and for solving the case.
